

O the Sweet, Sweet love of Jesus,
Born to give His love to all.

*Wishing a sweet and loving Christmas
to all our partners in ministry.*

Thank you for helping us reach Haiti with the good news that Jesus was born to be our Savior. Your financial gifts enable us to serve with MAF. Because of your prayers and partnership, national pastors and missionaries can minister more effectively in remote places; medical supplies and personnel can reach the sick and dying; pastoral students and lay-leaders can receive necessary training; and the love of Jesus can reach the lost and hurting of this world.

II Cor. 2:15 (from The Message version) "Because of Christ, we (with all our partners) give off a sweet scent rising to God, which is recognizable by those on the way of salvation"

THANKFUL FOR YOU, *Will, Julie, William and Abigail White*
